

ULTIMATE EARS

PROFESSIONAL

UE PREMIER

\$2999

Loaded with 21 drivers and a five-way crossover, UE PREMIER are our most powerful, nuanced, and versatile in-ear monitors yet, setting a new gold standard for exceptional audio.

UE LIVE

\$2299

The UE LIVE provides the perfect blend of detail and musicality — whether you're on stage, in the studio, or anywhere in between. Experience the culmination of 25 years of groundbreaking design and technology.

UE 18+ PRO

\$1599

From the quietest verses to the loudest choruses, UE 18+ Pro delivers the full dynamic range of your mixes by combining world-class clarity and detail with increased volume and headroom.

UE 11 PRO

\$1299

The leading choice of professional drummers and percussionists worldwide, UE 11 Pro combines unparalleled clarity and extra bass impact — so you can hear every detail of the mix and feel the impact of every hit.

UE RR

\$1079

Perfect for studio creators, mixers, producers and more, UE Reference Remastered earphones were designed by Capitol world-renowned studio engineers to deliver a flat frequency response.

UE 7 PRO

\$979

Perfect for vocalists, guitarists, singer-songwriters, livestreamers and more, UE 7 Pro delivers a loud, punchy sound, extra midrange detail, and tight bass — so you can always hear yourself clearly in the mix.

UE 6 PRO

\$749

Ideal for drummers, bassists, beatmakers, electronic musicians and more, UE 6 Pro delivers heavy bass response with a smooth top end so you can feel the full power of your performance.

UE 5 PRO

\$549

The classic UE 5 Pro is a favorite of musicians everywhere, with a dual-driver design that provides clear and balanced sound and excellent isolation from outside noise.
