

WELCOME!

**Gabriela Rodrigues Au.D., CCC-A Clinical
Audiologist**

She received her Doctor of Audiology degree from Texas Tech Health Science Center and her Bachelors of Science in communication disorders from New Mexico State University. Dr. Gabby is a dedicated audiologist with a passion for helping others and a commitment to providing exceptional care, she has established herself as a trusted professional in the field.

Beyond her professional accomplishments, Gabriela is a warm and compassionate individual. When she's not in the clinic, you'll often find her enjoying quality time with her beloved corgi, Penelope.

With a patient-centered approach, Gabriela goes above and beyond to ensure that everyone who walks through her door receives personalized attention and the highest level of care. She believes in treating each patient as a cherished family member, providing a supportive and empathetic environment throughout the treatment process. Gabriela believes that a positive and nurturing environment is essential for building strong relationships with her patients.

Gabriela remains at the forefront of audiology advancements and continuously seeks opportunities to expand her knowledge and expertise. She is appointed with a certificate of clinical competence in audiology (CCC-A) for her academic performance and clinical expertise. By staying up-to-date with the latest research and technologies, she offers innovative solutions tailored to the unique needs of each individual.

Whether you're seeking assistance with hearing loss, tinnitus management, or other auditory concerns, you can trust Dr. Gabby to provide comprehensive and compassionate care."
