

REDOXGold™

Massage + Soothing Gel

Tired, overworked muscles are not asking for a cooling trick—they're asking for a real signal. Elemental gold acts as the catalyst to carry redox molecules straight to the spot for soothing, localized relief that absorbs fast and never burns.

Real Benefits in Real Time

FAST RELIEF

Soothing, cooling recovery for tired, overworked muscles.

JOINT AND MUSCLE EASE

Supports comfort and flexibility in frequently used areas.

BUILT FOR EVERY DAY

Dermatologist approved for daily use, before and after effort.

How It Works

TARGETED, NOT BROAD RELIEF

Concentrates redox action exactly where you need it, including joints and muscles.

Au

PURE, ELEMENTAL GOLD

A unique blend of redox signaling molecules and catalytic gold designed to support the body's natural redox processes.

NO BURN, JUST NATURAL INGREDIENTS.

Calming relief without burning or harsh cooling agents.
